### **WestWind Engineering, Inc. Recognized by Northrop Grumman with Supplier Excellence Award**

Redondo Beach, CA, – Feb. 27, 2025 – Northrop Grumman Corporation (NYSE:NOC) has recognized WestWind Engineering as one of its top supplier partners during the company's Supplier Excellence Awards.

"WestWind Engineering has supported Northrop Grumman in delivering technologies that enhance national security for the U.S. and our allies," said Ken Brown, vice president, enterprise global supply chain, Northrop Grumman. "The high-quality performance, dedication and partnership of our supplier teams drive operational excellence to ensure warfighters have next generation advantages in advanced weapons, aircraft, missile defense and space."

Recognized for Strategic Excellence, WestWind Engineering is instrumental in supporting Northrop Grumman with delivering innovative and cost-effective military and security solutions to give its customers the advantage in a complex world.

"As one of Northrop Grumman's top tier suppliers, this award is a testament to WestWind Engineering's performance. "We take immense pride in having delivered the highest levels of service for over 30 years. We look forward to achieving greater milestones in the future," says Mary Anne Graves, CEO and President of WestWind Engineering, Inc.

Established in 1992, WestWind Engineering, Inc. provides full service permanent and temporary staffing and payroll solutions for Government, Commercial and Private Sectors
